Dear Sir:

I have just received a letter from an employee of my baseball club, saying he was unable to collect his benefits in his home town of Lakeland Florida.

He was employed by me from May 15 to July 15th, and received \$300.00 in salary. His social security number is [REDACTED].

I will greatly appreciate your assistance in getting this matter straightened out, as I am sure the boy is very much in need of any financial assistance he can get at this time.

Thanking you in advance:

Very Truly Yours

Secy.
